25th Annual Spring into Practice: New Trends in ORL Nursing

March 27, 2020

The MD/DC Chapter in conjunction with the Society of Otolaryngology and Head-Neck Nurses, Inc. presents our 25th Annual Spring Conference.

Target Audience: Nurses and other health care professionals interested in ORL-Head and Neck patient care who seek an opportunity to enrich their knowledge and expertise in ORL nursing practice and who value the opportunity to network with colleagues.

Program Purpose: Provide an educational program for health care professionals to update their knowledge of selected ORL issues affecting adults, children, and families; to present new technology and/or research; and to enable network time with colleagues.

Program Learning Outcomes: Discuss new advances in the management of select adult and pediatric ORL problems/disorders. Describe the nursing implications in providing care to ORL patients of all ages and their families. Initiate development of innovative nursing strategies for patients and their families with ORL conditions. Promote networking with others interested in ORL patient care.

Accreditation: The Society of Otorhinolaryngology and Head-Neck Nurses, Inc. is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's (ANCC) Commission on Accreditation (COA).

The maximum hours attainable are 7.5 hours.
